All participants and winners of the contest received valuable prizes from the University and an invitation to participate in a professional photo shoot.

The winners of the competition:

- I place — student of ISI SFU from Kyrgyzstan, Kamila Satarova;
- II place — listener of Russian language courses from Ghana, Rowland Adutvum;
- III place — graduate student from India, Kuntak Dutta.

"I would like to thank all the participants on behalf of SibFU! We had an opportunity to get to know our students better, and we believe this competition gave them a chance to become more involved with our international community, which gets bigger and more diverse every year. We hope that in the future you'll continue to use the hashtags of the contest. Then students from all over the world interested in studying in Russia will be able to learn about life in SibFU," — says **Vera G.
