

«Study in Russia — Study at SibFU» Selfies Competition for international students

Department for International Cooperation invites international students to take part in «Study in Russia — Study at SibFU» selfies competition.

*«Last year's competition was successful and allowed us to learn more about the SibFU's international community that keeps expanding every year. We hope that this year's competition will reflect this growing diversity. We expect first impressions from our new students and new stories from the more experienced ones», — says **Kate Rudaya** from the International Staff and Students Support Office, which is organizing the competition.*
