XVIII International Conference for students, postgraduates and young scientists
“SVOBODNY PROSPECT — 2022”,
devoted to the International Year of Basic Sciences for Sustainable Development

INFORMATION LETTER

International conference “Svobodny Prospect -2022”, devoted to the Year of Science and Technology, will be held in SibFU **on 25-30 of April, 2022.**

The aim of the conference: gifted students' involvement in scientific, research and innovative activities and taking part in solving topical problems of contemporary science; activating scientific research work of post-graduate students and young scientists, as it is one of the effective means of quality improvement of highly educated professionals' training.

Specialists, Bachelor's and Master's degree students, post-graduate students, young scientists from all over the world, **aged under 35**, staff of Russian or foreign higher education institutions are welcome to take part at the conference.

Non-resident attendees can take part on-site or off-site.

Working languages of the conference: **Russian and English.**

There are three conference sessions: **the Humanities, Natural Science and Engineering.** More than 70 sessions, including interdisciplinary ones, will be organized at the conference.

The participation is free through the electronic registration system on the conference website **<http://mn2021.sfu-kras.ru/>**. All papers are subject to expert selection.

The best presentations of each session will be awarded 1st, 2nd and 3d places and get published at the conference proceedings. Their authors will be awarded with diplomas. The proceedings will be included into Science Index data base with the assignment of ISBN, Library Bibliographic Classification (LBC) and Universal Decimal Classification (UDC) numbers.

NOTE: by filling in the registration form, the author guarantees, that this article has been written by him/her personally and it does not contain any material, used improperly. In case of filing any claims or suits by third parties concerning copyright infringement the author shall bear responsibility and litigate.

Organizing committee of the conference:
SibFU's Scientific Research Center of Young Scientists.
(Dormitory 21) 76H, Svobodny Prospect, Krasnoyarsk.
Tel. 8-902-956-93-88, 8-902-957-05-51.

We kindly ask you not to delay registration and submission of articles until the last day. It results in heavy load of the conference site, as well as expert commissions and increases the review time.

Executive secretary:
Valentina Seregina,
member of Scientific Research Center of Young Scientists,
