FACILITIES AND SERVICES OF THE RESIDENTIAL ZONE

- 
- An aerial architectural rendering of a residential zone, showing a mix of modern high-rise buildings, commercial structures, and green spaces. The rendering is in a light, sketchy style with a white background and orange accents. Various facilities and services are labeled with red circular markers. The labels are arranged in two columns on the left and right sides of the image. The facilities include accommodation services, a cultural centre, an atelier, equipment servicing, a floristic shop, a religion centre, a bank, a post office, a souvenir shop, a beauty centre, dry-cleaning, a business centre (print, copy, phone), a supermarket, sports equipment rent, a lounge area, and security headquarters. The rendering also shows a large curved building, a parking lot with cars, and a road with trees.
