

Women researchers to speak about their findings at a meeting at the Research Cafe

Event date: 6 march 2013, 16:00

The Research Cafe's meeting on 6 March 2013 will be about the International Women's Day.

Research Cafe's guest:

- Dr **Svetlana Sofronova**, Chair of Krasnoyarsk Krai Governor's Council of Young Researchers;
- Professor **Oxana Magirovskay** from the Department of Linguistics and Cross-Cultural Communication, SibFU;
- **Anna Shumilova**, doctoral student from the Department of Biotechnology at the Institute of Fundamental Biology and Biotechnology, SibFU.

High school students, undergraduates, graduate students, faculty, and staff will discuss the role of women researchers in science and find out about the most important discoveries made by women.
