

# International Seminar in Eco-architecture

**Event date:** 15 november 2021, 14:00–18:00

**Event place:** Congress Hall SibFU, Room 4-02, pr. Svobodny 82/9

On November 15, 2021, School of Architecture and Design is holding a seminar within the 4th International Conference City Fit for Life.

The seminar will address the use of wood in construction, the development of sustainable architecture and training of architects.

The guests of the seminar:

- Ole Gustavsen, Rector of Oslo School of Architecture and Design. He has been Chief Architect of SNOHETTA (Oslo), Norway since 1996. The company is internationally renowned for its projects.
- Nedzad Zdralovic, Chief Engineer of Troms og Finnmark County Municipality Administration. He is a timber constructions developer and the coordinator of joint projects between Russia and Norway. He gives lectures in Russian, titled Development and Application of Wooden Structures in Architecture.

**Time:** 14:00 — 18:00.

**Venue:** Congress Hall SibFU, Room 4-02, pr. Svobodny 82/9.

Admission is by invitation only. For admission, please call +7 (908) 016-11-44 (the number of guests is limited due to the current pandemic situation).
