

SibFU is a venue for the Delphic Games

From April 22 to April 27, 2022, the XXI Youth Delphic Games of Russia are being held in Krasnoyarsk. This is a major forum in the field of artistic, scientific and technical creativity, aimed at supporting talented youth. This year, the Siberian Federal University not only participates in the games, but also for the first time acts as a forum venue.

This year the competition program has been significantly expanded and includes nominations in 34 disciplines of artistic, professional, scientific and technical creativity. SibFU hosts several nominations, including Circus Art, Art of Education, Visualization and Presentation of Scientific Research, Personal Data Protection, Epidemiology and Bioinformatics, Culinary Art.

The SibFU team at the Delphic Games is represented by 42 people. They will compete in Popular Science Video Blogging, Visualization and Presentation of Scientific Research, Personal Data Protection, Epidemiology and Bioinformatics, Art of Education, Culinary Arts, Pop Singing, TV Journalism, Folk Dance.

*"About 2,800 people from the constituent entities of the Russian Federation are expected to take part in the competition. 106 set of medals will be awarded. Traditionally, the winners, laureates and prize-winners of the Delphic Games will be awarded medals and diplomas, in the future they will receive support from the regional and federal authorities. All events of the Delphic Games 2022 will be broadcast on Дельфик.ТВ, Internet TV, on the Delphic Games Channel on the RUTUBE video hosting, and on the VKotnakte. All relevant information about the Delphic Games is posted on the official Telegram-Channel", — said **Artemy Ponyavin**, Executive Committee Director of the National Delphic Council of Russia.*
