

The International Summer School 2022 "Global Entrepreneurship in Real and Virtual Space: ESG-Transformation of the Economy"

Event date: 10-24 July 2022

Event place: Siberian Federal University, Krasnoyarsk, Russia

In 2022, more than 650 students from 9 countries will be able to gain new knowledge and meet their peers on the platforms of 14 domestic universities.

Students from Belarus, Kazakhstan, Kyrgyzstan, Uzbekistan, Tajikistan, Armenia, Syria, DNR and LNR who go to the 3rd or 4th year of university this year and have no academic debts and are ready to gain new experience and knowledge are planned to participate in the "Summer University" this year.

Along with the leading universities of Russia, Siberian Federal University for the second time acts as a host site in the educational project "Summer University" and offers foreign participants to study in the program "Global Entrepreneurship in Real and Virtual Space: ESG-Transformation of the Economy" within the "Management" direction.

Summer University 2022 at SibFU is:

- Sectoral educational program in the "Management" direction;
- Seven educational intensives focused on future competencies;
- School of Social Design and Project Competition;
- An opportunity to have a great two weeks and improve your skills - in your specialty and beyond;
- Excursions, quests, festivals and much more;
- The opportunity to have an unforgettable time and meet new friends.

In addition to the educational component of the organizers have planned a variety of cultural and educational and sightseeing activities.
