

Summer Cinema school "SiberiaDOC 2022"

Event date: 10-30 july 2022

Event place: Siberian Federal University, Krasnoyarsk, Russia

From July 10 to 30, 2022, the Laboratory for Documentary Filmmakers will be held at SibFU.

Main objectives of Summer Cinema school «SiberiaDOC 2022» are to find new, talented authors, producers and film critics, whose original projects and ideas have potential for international realization. To diagnose projects, to work out their scripts, to help producers to prepare projects for the international market, and to help film critics to increase their creative author potential. The organizer of the educational program is LLC "Yenisei Film" and ANO "Siberian studio of independent film" supported by the Ministry of Culture of the Russian Federation, Siberian Federal University and Mikhail Prokhorov charitable foundation.
