

SibFU students can compete for a scholarship from the Potanin Charitable Foundation

21 November 2022 is the deadline for accepting applications for participation in the Vladimir Potanin Scholarship Program. Students of the first and second years of full-time master's degree programs are invited to participate. The winners of the competition will be paid a scholarship of 25,000 roubles per month until the end of their master's studies.

The purpose of the Scholarship Program is to support the best master students of dynamically developing universities in Russia.

The competition is held in two stages. At the first stage, the jury will evaluate the written application of candidates, including a description of personal plans, life position, an essay on the topic of the proposed master's thesis. Applicants who successfully pass the first stage will participate in the second stage of the competition. This stage includes business games, interviews, case solution and other team or individual formats.

To become a participant in the competition, [login and fill in an application before](#) 21 November 2022.

Competition Schedule 2022-2023:

- applications deadline: 21 November 2022;
- announcement of the results of the first stage: until 27 December 2022;
- second stage (conducted online): one day within the period from 26 January to 14 February 2023;
- announcement of winners: no later than 28 February 2023.

The selection process evaluates the academic, intellectual, creative and leadership potential of applicants, as well as their motivation for development, social activity, willingness to take responsibility, awareness of the social significance of the major chosen for study. All applicants should show active research work within their field.
