

# **SFU establishes academic contacts with the universities of South Korea**

Professors and senior management representatives from Siberian Federal University visited South Korea to establish academic contacts with Korean universities.

SFU's representatives visited five universities and a nanotechnology centre. Professor Patrin, Director of the Institute of Engineering Physics, Professor Denisov, Director of the Institute of Non-Ferrous Metals and Materials Science, Professor Shishko, Director of the Institute of Law and Professor Kim from Siberian Federal University discussed the possibilities of research collaboration and academic exchange.

Professor Patrin, Professor Denisov and the representatives of the School of Nano- and Advanced Materials Engineering and the BK21 Corps for Industry-Academy-Institute Machinery Industry, Changwon National University, signed official agreements on research collaboration.
