

Siberian Federal University became a member of European Council for Business Education

Siberian Federal University became a member of **European Council for Business Education** which is located in Brussels, Belgium.

The Council will provide necessary support to the process of international accreditation of SibFU educational programmes and offer consultation service in the field of business education programmes. Moreover, the Council will organize the seminars of vocational training for the faculty with the participation of professors of leading European higher education institutions and provide necessary support in terms of getting international grants.

Furthermore, Siberian Federal University will get an access to the base of ECBE distance education.

Department of International Affairs, 18 march 2009
