

DAAD chose its scholarship-winners

SibFU students (**Kirill Koshkov, Elena Osokina**), PG student (**Dmitriy Fedchenko**) and two Directors of the SibFU Institutes (**Lyudmila V. Kulikova, [Olga G. Smolyaninova](#)**) will be awarded with scholarship to study in Germany according to programme results of German Academic Exchange Service ([DAAD](#)).

Annual programmes and projects of German Academic Exchange Service (DAAD) promote talented students, young scientists and highly-qualified faculty with the aim of advancing academic relations between Germany and other countries. Applications for other DAAD programmes can be submitted this autumn.
