

«Krasnoyarie without drugs»

Event date: 7-8 april 2010

The movie action called «**Krasnoyarie without drugs**» was held in Siberian Federal University. The event was coincided with the World Health Day annually celebrated on 7 April. The constitution of the [World Health Organization](#) (WHO) came into force on that day in 1948.

Two antidrug dramas called «Intoxication» and «21 g» were demonstrated for students of Siberian Federal University.

After the viewing, students had an opportunity to discuss the films with the representatives of Krasnoyarsk public organizations and psychologists working with dependence behaviour.
